OBJECTIVE

Hi there! I'm Waseem Babar. A skilled front-end developer who loves turning ideas into awesome websites. With 1.6 years of experience in Vue.js , I make websites not just work, but look fantastic too. I'mfluent in HTML, CSS, and JavaScript. Always learning the coolest stuff in web development, and currently adding Laravel to my toolkit for even cooler things. I'm not just about code; I'm big on people skills too.

Let's build something amazing together!
